

## **Important Update Re: Transit Account Reimbursement**

Transit Account Pre-Tax Benefits Remain at \$230 per Month for 2011

*December 17, 2010*

As part of the tax bill recently passed by Congress, the maximum reimbursement and pre-tax benefit for transit accounts **will remain at \$230 per month for 2011**. The \$230 monthly maximum is now extended until December 31, 2011. That maximum was originally set to revert back to \$120 per month on January 1, 2011. President Obama is expected to sign the bill into law this afternoon.

Plan Administrators who have already enrolled members under the \$120 maximum should contact their vendor to change the enrollment for members who wish to increase their monthly contributions.
